

Cookies are small text files that are placed on to your computer by websites that you visit. They are used to make websites work, to improve efficiency of websites, to improve the user's experience and to provide usage information on websites. This information should make your website visits more productive by storing and using information on your website preferences and habits.

Your web browser can choose whether or not to accept cookies. Most web browser software is initially set up to accept them.

We may offer cookies to you and you should ensure that your web browser is set up to not accept cookies if you do not wish to receive them. Please note that if you disable cookies, some services or website functionality may not be available.

For further information about cookies and how to disable them please go to [aboutcookies.org](https://www.aboutcookies.org).

If you wish to delete these cookies, please click [here](#).
