

Title: Life in Tudor England – the research project

LG: Use research to compare the lives of different people who lived in Tudor England

Oiii - Henry says “Get ready to do some research – that’s an order”

Henry wants you to choose one of the groups we learned about last week and do a bit of a research on it or he’ll chop your head orfff...

Choose from:

- Rich Tudors – Gentlemen, yeomen
- Poor Tudor – Labourers
- Women
- Children
- Black Britons

Now you have to produce something to share with the rest of the class so they will know more about the group you chose:

- **Option 1: A booklet** – this gives you the option of doing a series of pages and laying it out in the way you want. You can take time over the presentation and have plenty of space for your research. If working with friends’ you can take different section to make it easier
- **Option 2: An info-poster or collage** – you still need lots of info but can choose to display it in a different way - be more creative as you still need to get the info in
- **Option 3: A news report** – either serious or funny (horrible history style if you like) – either written or recorded.
- **Option 4: An activity e.g. crossword, true or false, mix and match** – something that helps others to learn about that group.

HARK!

You can work on your own or with friends. You can use websites like BBC Bitesize or www.schoolhistory.co.uk. Just put what you want to know into Google (I find if you add KS3 it will be written in a way more at your level rather than having to wade through things like Wikipedia). Here are some I found:
