

Malmesbury School A-Level Results 2019

Executive Headteacher Tim Gilson said “ We are thrilled with this year’s A-Level results; this is the first year when all the exams have been based on final exams without AS results in Year 12 and on the new more challenging content. Our students dealt with the challenges extremely well and demonstrated a positive work ethic meaning that 32% of all grades were A*/A and 61% were A*/B.

All the Malmesbury School staff work incredibly hard to provide superb pastoral support and inspiring teaching for our students and their skill and experience means that our students make excellent progress.

A remarkable 16% of our students achieved a clean sweep of A*/ A grades and many more exceeded their predictions. We are very proud of all our students who are now looking forward to going to a wide range of excellent universities and employers and we wish them all the very best for the future.”
