

Press Release
Malmesbury School GCSE results 2019

“We are very proud of all our students who have worked hard for their GCSE examinations this year. Once again, they have produced an excellent set of examination results across a wide range of subjects.

75% of students achieved the benchmark 5 GCSEs including English and maths at level 4+ and 27 % of all grades were at level 7 or higher. Our students are extremely well prepared for the next step in their education either in our sixthform or in local FE colleges.

All the staff at Malmesbury School work very hard to support our students and we wish them all the very best in the next exciting phase of their education.”
