Malmesbury School GCSE Press Release - 2021

We would like to congratulate all our students who have received their GCSE results today. Over the last two years, in a challenging context, students have worked extremely hard for their GCSEs and fully deserve the results they received today. They should rightly feel very proud of their achievements.

We wish all our students the very best in the next exciting stage of their education whether it is at Malmesbury Sixth Form or elsewhere. We would also like to thank all the staff that have been involved in this process - completing the internal assessments, moderation and grading on top of their existing responsibilities, has ensured that our students obtained the grades they deserve.
