

Meet the Heads of House

Emma Hall

Head of Hobbes House

I have been Hobbes Head of House since the very start of 2018. I love being a House Leader as I get to do the most exciting and positive job in the school – recognising student achievements! We really value recognising hard work and success in assemblies and in day-to-day conversations with students. I enjoy working with the House Council – young people who have the desire to actually make changes to how things work. I think the most fun event of my role was the school disco session on iLearn day a few years ago, and one of the most fulfilling is watching the amazing donations head off to the foodbank every Christmas.

Ben Griffiths

Head of William House

I started as William Head of House in 2019. I am very proud of the range of talent and skills the members of William House display in their lessons but also their contribution to the wider school through extra-curricular activities, house and sporting events. A particular highlight is organising high profile house events to raise money for charity. Last year we launched the first ever Malmesbury's Got Talent evening where students blew us away with their multitude of talents! In addition, we ran the popular 'Malmesbury Moves for Mind' event which involved students clocking up miles by running, walking or cycling to raise money for Mind, a mental health charity.

Katie Aler

Head of Eilmer House

Scott Mitchell

Head of Athelstan House

I started as Head of Eilmer House in September 2021; I enjoy seeing students in Eilmer grow by having fun, celebrating successes and getting creative in events. I value a respectful and mutually supportive environment where we nurture a feeling of belonging within the House community and the wider school community. A little about me: alongside being a dedicated teacher, I am a very family and friends orientated person too. I enjoy a weekly weekend jigsaw hour with my Nan, quiz nights with my family and keeping fit with friends by going out for walks (my pug, Lilo, tags along too). I am looking forward to learning more about all of our students and sharing some of their most exciting and fun and memorable school experiences!

I started as Head of House in 2014 and am currently in my second spell leading Athelstan House. As Heads of House, we place great emphasis on engaging students in a variety of activities to build their confidence; it was incredible to see so many students running round the school grounds for Sport Relief! My highlight to date has been Athelstan winning the House Cup in 2018-19. It was fantastic for our students to be recognised for all their hard work over the year, showing excellent effort, determination and most importantly, consistency.
