Engineering Apprenticeship
#BuildTheFuture

Staverton, Trowbridge, the location of one of Nestlé's cereal partner's factories, produces some of the UK and Europe's best-selling cereal brands, including Shreddies and Chocies.

We are recruiting for apprentices who are motivated to learn as you will be mentored in core business skills, such as problem-solving, innovation and how to communicate and collaborate with others to make a difference in your role.

We have a team of experts who will support your development and help you build a career with endless possibilities.

Apply: www.nestleacademy.com
Deadline: 28th February 2022
Requirements: 5 GCSEs, including Maths and English graded at 9-4

We are supporting the National Apprenticeship Week 2022 by offering 2 live one hour webinars for Year 11 students on:

Wednesday 9th February
10am—11am / 2pm—3pm

This event will be hosted via TEAMS and our apprenticeship team will give a live presentation and overview of the roles available at GWH; students will hear from our current apprentices; concluded by a Question and Answer session.

We are aiming the event at students you may have identified as already having an interest in an apprenticeship opportunity.

If this is something your school would be interested in then please let us know and we can send you a meeting link for the day.

Numbers are limited so please can you contact Katie Banks to book your preferred time slot and to confirm your attendees.

Apprenticeships postings locally have mainly followed the UK trend line with overall postings being almost 32% lower than they were mid-2019. Regular updates on LMI are published in the documents section of the [Swindon and Wiltshire Local and Enterprise Partnership's website](#).

Advanced apprenticeship remains the most popular type of apprenticeship in both Wiltshire and Swindon.

The four most popular subjects for apprenticeships in Swindon and Wiltshire are:

- Engineering
- Health and public services
- Business and Admin

- Retail and commercial

These graphs are from the Work Wiltshire LMI dashboard: <https://workwiltshire.co.uk/lmi/>

Higher and Degree Apprenticeships - Since the start of lockdown, there have been 224 Higher and Degree Apprenticeships advertised across Wiltshire. Nationally, the most popular occupational areas for degree apprenticeships are accountancy, digital and policing. For higher apprenticeships, the most popular are sales, software developers and accountancy. For more LMI on higher and degree apprenticeships, see Alan Bullock Careers <https://alanbullockcareers.com/2022/01/23/week-96-higher-degree-apprenticeship-vacancies-in-england-in-the-covid-era-another-colourful-week/>

Apprenticeship Providers

Colleges and Independent Training Providers

The FE Colleges are still the single biggest training provider of apprenticeships across our area. Information about their current vacancies and support are on their websites:

- <https://www.wiltshire.ac.uk/study-2/apprenticeships>
- <https://www.newcollege.ac.uk/study/apprenticeships-intro>
- <https://www.cirencester.ac.uk/apprenticeships/apprenticeships-at-cirencester-college>

Along with the colleges, many apprenticeships are delivered by Independent Training Providers (ITPs).

There is lots of information about these, including a spreadsheet of contact details for the main ones delivering in the region, on the benchmark 7 page of Sharepoint:

<https://sbcintra.sharepoint.com/sites/SWCareersHub/SitePages/Benchmark-7--Encounters-with-FE-and-HE.aspx>

Many of these ITPs belong to the [Gloucestershire and Wiltshire Partnership](#) which is managed by Mike Holliday who deliver the [ASK programme](#).
