25 March 2022

Dear parents/carers

Appointment of new Head of Sixth form/Assistant Headteacher

As I am sure many of you will already be aware, current Head of Sixth form, Mr Andrew Backwell will retire this summer following 35 years of service at Malmesbury School, 16 of which saw him lead the sixth form to the outstanding provision that it is today. Earlier this term we held a two-day selection process to appoint Mr Backwell's successor. We attracted a national and strong field of applicants; however, I am delighted to say that one of Malmesbury's own was appointed after a very rigorous interview process.

Today we explained to Year 11 that from September 2022, Mrs Louise Stanton, current Senior Curriculum Leader for iLearn and Associate Assistant Headteacher will take the helm of Malmesbury Sixth Form. Louise has a proven track record of outstanding results in the iLearn faculty and is nationally recognised for her work with our personal development programme and careers provision.

We are excited for the future of the Sixth form and very much look forward to seeing Louise in charge soon. We also take this opportunity to thank Mr Backwell for his excellent years of service.

Your sincerely

Brett Jouney
Headteacher
