Uniform Policy

The school uniform is important as it creates a sense of belonging and purpose. It is also important that we have a uniform so that students feel equal to their peers in terms of appearance and recognise that we value all students alike. Pupils represent themselves and us outside of the school and are expected to maintain high standards wherever and whenever the uniform is worn, including travelling to and from school.

We expect students to attend school in neat, tidy clothing which is appropriate for the work they will be doing. We specify that clothing should be plain and sensible. We have a number of reasons for adopting our dress code:

- It enables parents to have the opportunity to choose where they buy most of the items of clothing
- It enables students to have some choice about their clothing while, hopefully, not vying with each other to wear the latest fashion.
- It avoids staff having to spend valuable time on fruitless arguments with students about the colour or suitability of their clothing.

The following items of clothing can only be purchased on-line from our official uniform suppliers or, if you do not have access to the internet, by completing an order form and returning it to school along with your payment.

School Jumper – grey with red stripe and school logo
School Cardigan – grey with red stripe and school logo
White shirts with logo

School ties will be available to buy in school. This is an optional item of uniform.

The following items can be purchased from our official uniform suppliers, a dedicated school uniform supplier or from the school wear (and not fashion range) of only those suppliers who offer a specific school wear range of clothing e.g. Asda, John Lewis, Marks and Spencer, Sainsbury, Tesco etc.

Trousers
Skirts

Shirt – white, button to neck with collar suitable for wearing with a tie or with a reverse neck and either long, short or $\frac{3}{4}$ length sleeves.

All of these items must conform to the policy set out below.

The school logo must be present on the outermost item of clothing which will likely be the jumper or cardigan through most of the year. In the summer, if a student does not wear a jumper or cardigan, then either a logoed shirt or a plain white shirt **with** school tie must be worn. A plain white shirt cannot be worn without either the jumper, cardigan or tie.

	<p>Coats</p> <p>In colder months, it is always surprising how many pupils arrive to school either cold or wet because they choose not to wear a coat. We ask parents to help us by encouraging their children to wear coats to school so that they can start the day in a positive way.</p> <p>Outdoor coats should be plain, preferably lightweight, and waterproof. Shirts, sweatshirts, fleeces, cardigans etc. must not be worn as substitutes for outdoor coats. We encourage students to ensure they are visible in the darker mornings and evenings by having fluorescent flashes on their coats or bags.</p>	<p>No outer layer is to be worn inside the school building at any time. This includes PE sports jackets. Coats and scarves may not be worn inside school. Students should store their coat in their locker during the school day.</p>
