

Summer of Work Experience

Throughout June and July we will be offering a range of local and national opportunities with a variety of different employers. See below for further details on our range of experiences.

What did young people say about our spring virtual work experience opportunities?

“
They explained more about this career sector which is very interesting and they opened my mind about another jobs.
”

“
"The placement helped with ideas about which jobs or careers fit my interests, as the speakers during the call were very clear and informative whilst talking about their job...
”

“
Gave me more insight in the careers I am interested in. Furthermore, the other options related to my interest.
”

Who are we working with this summer?
