Dear Parents and Carers

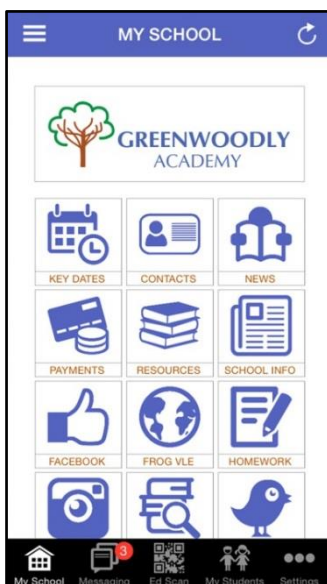

MyEd

This is a reminder to all parents. Some time ago, we introduced a new upgrade to our school comms system to communicate and share information with the parents and carers of children at Malmesbury School. This is now our chosen method of communication for reports. Parent Portal no longer exists.

MyEd is a **FREE** app that gives you a multitude of communication and information features to stay in touch with what is going on at Malmesbury School with a focus on your child. The app gives you direct access to your child's attendance, timetable, absence records, and achievements. Information on the app is frequently updated, providing you with an accurate overview of your child at any time.

We are able to send you messages directly via the **MyEd** app relating to important information about your child's education and to remind you of events that are taking place at school. You will receive a notification if we send you a message and **there is no charge for the messages you send to us. You will be able to text absences free of charge from within the app.**

Example:

A charitable company limited by guarantee, registered in England & Wales, as The Athelstan Trust
Company No: 7699625

The **MyEd** app is available for both Apple iOS and Android devices and can be found using the links below:

Step 1 - Go to your App Store

Step 2 - Search for **My Ed**

Step 3 - Download the Free app

[Google Android App](#)

Once you have installed and opened **MyEd**, search for **Malesbury School** and follow the simple instructions to identify yourself. We would encourage parents and carers to download and make use of this app.

Yours sincerely
