Dear parent/carer

Parental Workshop – Tuesday 27 September 2022

We are delighted to invite you to a one-hour parental workshop here at school in partnership with Progressive Masculinity. Progressive Masculinity is an educational company which specialises in helping boys and young men reconstruct attitudes towards masculinity, moving away from stereotypically damaging characteristics. The workshop will present evidence-based information on a range of factors which affect the way they interpret masculinity, as well as providing supportive strategies for us to be able to help our boys and young men fulfil their potential.

Areas covered include:

- 'Lad culture'
- Masculinity in the digital world (social media, influencers etc)
- Attitudes towards education
- Effective communication
- Attitudes towards women and LGBTQia+
- Anger management, de-escalation and self-regulation

The workshop will take place at school on **Tuesday 27th September at 6pm in the main hall**. If you would like to attend this event, please complete and return the slip below, this session is aimed at parents, not students. If you would like more information on Progressive Masculinity and their work, please visit their website at www.progressivemasculinity.co.uk/

Yours sincerely
